CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

** for identification purpose only*

The following is an explanatory statement required by the GEM Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the approval of the Repurchase Mandate.

1. PROVISIONS OF THE GEM LISTING RULES**(a) Shareholders' approval**

All proposed repurchase of securities on GEM by a company with its primary listing on GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval in relation to a particular transaction.

(b) Source of funds

Any repurchases must be financed out of funds legally available for the purpose and in accordance with the company's constitutional documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

(c) Core connected person

Under the GEM Listing Rules, a company shall not knowingly repurchase shares from a core connected person (as defined under the GEM Listing Rules) and a core connected person shall not knowingly sell his shares to the company. As at the Latest Practicable Date and to the best of the knowledge of the Directors who have made all reasonable enquiries, none of the Directors or their close associates (as defined under the GEM Listing Rules) has a present intention to sell Shares to the Company or has undertaken not, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

2. NUMBER OF SHARES SUBJECT TO THE REPURCHASE MANDATE

It is proposed that the Repurchase Mandate will authorise the repurchase by the Company of up to 10% of the number of issued Shares as at the date of passing the relevant resolution. As at the Latest Practicable Date, the authorised share capital of the Company was HK\$100,000,000 and the paid-up share capital was HK\$83,045,380.10, representing 8,304,538,010 Shares in issue. On the basis of 8,304,538,010 Shares in issue (assuming no Shares will be issued or repurchased by the Company from the Latest Practicable Date up to the date of the AGM), the Company would be authorised under the Repurchase Mandate to repurchase a maximum of 830,453,801 Shares during the period in which the Repurchase Mandate remains in force.

3. REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and Shareholders as a whole to have a general authority to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings (in each case on a per Share basis) and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements for the year ended 31 December 2017) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Bye-laws, the GEM Listing Rules, and the applicable laws of Bermuda. The Company may not purchase securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

6. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their close associates (as defined in the GEM Listing Rules) have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Bermuda.

8. EFFECT OF TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and becomes obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

If the Repurchase Mandate were exercised in full, the shareholding percentage of the Shareholders, who have an interest in 10% or more of the issued Shares (based on the information available to the Directors as at the Latest Practicable Date), before and after such repurchase would be as follows:

Name of Shareholders	Number of Shares	Percentage of existing shareholding	Percentage of shareholding if the Repurchase Mandate is exercised in full
Lim Tong Yong	865,596,000	10.42%	11.58%
Ascent Star Corporation Limited	840,000,000	10.11%	11.24%

The Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any repurchase made under the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25% as required by the GEM Listing Rules.

9. SHARE REPURCHASE MADE BY THE COMPANY

No purchase of Shares have been made by the Company, whether on GEM or otherwise, in the six months preceding the Latest Practicable Date.

10. SHARE PRICES

The highest and lowest prices at which the Shares have traded on GEM during each of the twelve months preceding the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2017		
April	0.085	0.060
May	0.073	0.061
June	0.065	0.041
